The Son of God discloses

And He walks with me and He talks with me

And the joy we share as we tarry there

None other has ever known

He speaks and the sound of his voice

within my heart is ringing

And He walks with me and He talks with me

None other has ever known

I'd stay in the garden with Him

Though the night around me be falling

His voice to me is calling

Chorus

And He walks with me and He talks with me

None other has ever known
